WSDOT Construction Activity & Possible Delays/October 30-November 9, 2003

SR 20-Clark Street/City of Republic (MP 303)-Utility and sidewalk work underway. This is a City of Republic project. Contact (509)775-2929.

I-90/Salnavé Road Interchange to Geiger Blvd. Interchange (MP 265-275)- Minor items.

I-90/ITS Communications System -No freeway traffic impacts. Some lane restrictions will be in place at various locations on Sprague Avenue between Havana and Division.

I-90/Argonne to Sullivan (MP 287-292)- The process of reconfiguring the westbound traffic flow to the new adjacent temporary lanes is essentially complete: No changes to the freeway traffic lanes until next Spring. Some median and shoulder work may be underway. Possible eastbound lane restrictions near Evergreen at times for equipment access to the median.

SR 290-Trent Avenue/Spokane River Bridge 290/4 Replacement (MP 0.4-0.6)- Work continues on this bridge replacement project between downtown and just west of Hamilton Street. Trent Ave. is closed to through traffic between Riverpoint Blvd. and Cincinnati Street. Detours are fully signed. Access to all businesses on Trent is available. This is a long-term closure.

US 395/Hatton Coulee Rest Area (MP 66)-The Hatton Coulee Rest Area is closed due to water system problems. Repairs are underway and the facility may re-open early in the week.

US 395-Division Street/Hastings Rd. to Farwell Rd. (MP 166)-Work is underway to add a southbound turn lane and intersection improvements at this location. Motorists may see some southbound lane restrictions at times.

SR 904/Cheney to Four Lakes (MP 12-16)-Illumination installation may be underway. No traffic impacts.

I-90/Stateline (MP 299)-On Tuesday and Wednesday, (November 4 and 5),-WSDOT Crews from Olympia will be working with truck weight electrical systems. Eastbound OR westbound I-90 may be reduced to one lane between 9:00 a.m. and 3:00 p.m. Motorists may experience slow traffic, congestions, and delays.
